

U.S. Wheat & Barley  
Scab Initiative

**MEMORANDUM**

DATE: December 19, 2006  
TO: 2006 Forum Participants  
FROM: Dave Van Sanford and Tom Anderson

There were lots of good ideas generated during the various breakout sessions at the Forum. We have posted a single bookmarked pdf file of notes from the sessions (click on URL below to view or download). Use the 'Bookmark' feature in Acrobat to navigate throughout the document.

Since you did not have a chance to attend every session, you will want to read through these notes to acquaint yourself with the ideas that came out of the sessions you missed.

As the next step in the process of developing an Action Plan, we will gather comments and feedback to the ideas in this document. In the next day or so, we will have set up a website where you can go and post your responses anonymously. As soon as this is in place, we will send you directions by email.

Of course, in the meantime, you are always welcome to send comments by email to either of us or to Sue.

Best wishes for a great holiday season.
